MEMORANDUM FOR: TALENT Control Officer, CIA

SUBJECT: TALENT-KEYHOLE Billet Request

PROBLEM:

As you are aware all personnel in the Photographic Intelligence Center, DD/I will by necessity require a TALENT-KEYHOLE certification. It is therefore requested that the Photographic Intelligence Center be granted 160 KEYHOLE slots.

JUSTIFICATION:

The need for the Photographic Intelligence Center, DD/I to receive the KEYHOLE certification is based upon the following requirements: Reproduction; Sanitization; Processing; Reporting; Analyses; Policy; Research and Development; Finance; Administration; Clerical; Couriers; Storage; Controls and Security.

SOLUTION:

When approval for the billets is granted the clearances will be issued as required on an individual need to know basis. The names of Photographic Intelligence Center personnel will be submitted directly to the TALENT Security Officer, CIA as the necessity arises to bring them into the picture.
